Dear KEVIN O JACKSON and KATRINA S JACKSON:

Each year, we review your escrow account to make sure the escrow portion of your scheduled mortgage payment covers your property taxes and/or insurance premiums. Note: This notice is for informational purposes only and is being provided as a courtesy should you voluntarily decide to make any escrow shortage payment, if applicable. This notice should not be construed as an attempt to collect a debt or a demand for payment contrary to any protection you may have received pursuant to your bankruptcy case.

These calculations indicate the projected escrow balance will be more than the required escrow balance.

The projected escrow account activity is based on the most recent tax and/or insurance information available as well as the assumption that your payments will be received as agreed.

2. **Projected low point.** The point during the annual period at which the projected escrow balance will reach its lowest point.

3. **Required escrow balance.** To cover unanticipated disbursements, including increases to tax or insurance payments, there is a 2-month minimum escrow balance allowable by state law and/or your mortgage contract. This amount does not include mortgage insurance.

- Your 2-month minimum escrow balance is **\$488.76**
- State law requires that this minimum escrow balance not exceed **\$488.76**
- Note: If you have an adjustable rate mortgage (ARM), you will receive a notice about your new mortgage payment when your ARM rate is scheduled to change.

Information about your escrow account overage

| This means your escrow account has an overage of (\$)         | 1,263.90 |
